Date of Manufacture:

WARNING: May cause sensitisation from prolonged skin contact. Suspected of damaging fertility or the unborn child from repeated oral exposure.

ECOTOXIC: Harmful in the terrestrial environment. Do not apply directly onto or into water. Take all reasonable steps to ensure the product does not cause any significant adverse effects to the environment beyond the application area.

PERSONAL PROTECTION: When mixing or using wear gloves. Do not breathe spray mist. Wash hands and face after use. Before spraying indoor plants, move them outside to spray.

STORAGE: Store product in original container, tightly closed, in a cool, dry place. Keep out of reach of children, and away from foodstuffs.

Shelflife: When stored appropriately this product should show no significant degradation. Contact your supplier if you require further information about the product.

SPILLS AND DISPOSAL: When dealing with spills wear personal protective clothing and equipment as described in the PERSONAL PROTECTION section. Avoid contamination of any water supply with product or empty container.

PRODUCT DISPOSAL: If possible dispose of by using according to the label, otherwise dispose of in an approved landfill.

CONTAINER DISPOSAL: Triple rinse empty container and add rinsate to the spray tank.

GroVentive® Garden has a high level of safety to bees but it is recommended not to spray when bees are actively foraging.

SAFETY DATA SHEET: A safety data sheet is available from Grosafe Chemicals Ltd.

MANAGEMENT CONSIDERATIONS

Not to be used in agriculture or for wide dispersive use.

Keep people and pets away from treated area for at least 24 hours after application.

Resistance to this insecticide could develop in some situations from repeated use. To minimise this risk use strictly in accordance with label directions. Do not apply more than 4 times across 6 months.

GroVentive® Garden is not to be used on plants to be consumed as food.

ACTIVE INGREDIENT: Contains 15g/litre spirotetramat in the form of a suspension concentrate.

Approved pursuant to the HSNO Act 1996, No HSR101477
See www.epa.govt.nz for approval conditions

WARRANTY: This formulation is warranted to contain the specified active ingredient within accepted analytical tolerance when packed. The user bears the risk for damage resulting from factors beyond the manufacturer's control. The manufacturer declines all liability for damage resulting from improper storage or use of the product.
